Heritage Week 13-23 October

See the Christchurch City Council website for what's on during Heritage Week.

Future of the Textile and Fibre Arts Network As advised at our last AGM, several committee members plus chair, secretary and treasurer, will have completed their term of office by May 2018.

Many are keen to see the Network continue but new officers are required. Could you take on any of these roles? The committee will be contacting the presidents/co-ordinators of member groups to discuss some important questions in regard to the future of The Network. Please give this some thought.
